PICYA Yacht Club Information

The COTY rules were revised to encourage Non-Bay Area PICYA Club participation by giving an opportunity to build relationships and increase the number of parade entries.

Bay Area Clubs are defined as clubs located within the San Francisco Bay bounded by the Carquinez Bridge on the east and the Golden Gate Bridge on the west. Non-Bay Area clubs are defined as Delta, Lake and Coastal clubs.

- a. If a Bay area PICYA Yacht Club joins with another Non-Bay Area PICYA Yacht Club to work together to decorate a boat for the Opening day Parade, both clubs will receive COTY points for the entry.
- b. If two on-bay Area PICYA Yacht Clubs join together decorating one entry, both yacht clubs will receive COTY points.
