## COMMODORE'S WELCOME

Welcome to the Pacific Inter-Club Yacht Association's (PICYA) Assembly of Delegates Meeting and the Regatta Awards Dinner. PICYA was formed in San Francisco on May 12, 1896 to improve and promote communications between clubs, provide uniform racing rules and to encourage the sport of yachting. US Racing Association and the Yacht Racing Association (YRA) of San Francisco were created in 1928 to take over most of the major sailboat races.

Through the generosity of many donors and past Commodores an array of very prestigious trophies and awards were created and deeded to PICYA to carry on racing and regattas in the San Francisco Bay. We welcome you tonight to join us in this decades-old presentation of our Regatta Awards.

I want to thank the Oakland Yacht Club and Commodore Donna Lee Beckett for hosting this Awards Dinner. We would like to thank Sausalito YC for hosting our Lipton Cup series and Sequoia Yacht Club for hosting the Youth Regattas. Our special thanks are extended to PICYA Regatta Chair, Bill Gargan in conjunction with the Sacramento Race Committee.

Each participant and award trophy recipient is to be congratulated for their efforts. I would also like to extend our sincere appreciations to the individuals who worked on tonight's event: PICYA Director and Trophy Chair, Bill Gargan; PICYA Director and Oakland Yacht Club Delegate Maggie Sabovich and PICYA Delegates Pam and Doug Hipsley.
